Thank you for consulting the Ministry of Defence (MOD) on Secretary of State Consultation 4 Request for Comments reference WW010003, MOD reference DIO 10048964.

The Defence Infrastructure Organisation (DIO) Safeguarding Team represents the MOD as a consultee in UK planning and energy consenting systems to ensure that development does not compromise or degrade the operation of defence sites such as aerodromes, explosives storage sites, air weapon ranges, and technical sites or training resources such as the Military Low Flying System.

I can confirm that, following review of the application documents, the proposed development falls outside of MOD safeguarded areas and does not affect other defence interests. The MOD, therefore, has no objection to the development proposed.

I trust this is clear however should you have any questions please do not hesitate to contact me.

Best wishes,

Vicki James | Estates Safeguarding Officer
